

# FALSE CREEK ELEMENTARY PAC (PARENT ADVISORY COUNCIL)

## Three great ways to help earn money for False Creek when you shop this holiday season!

**False Creek Elementary Christmas Cards...** are still available for purchase during the Scholastic Book Fair in the library until Friday, December 3 or contact Wendy Teufele at [wteufele@shaw.ca](mailto:wteufele@shaw.ca).

**Re Claim on Facebook....** Thanks to Michelle Graydon - a former False Creek Elementary parent and PAC member – our school will earn money every time you purchase anything from **Re Claim**, an online thrift store she has designed.

Just mention that you are a “**Friend of False Creek Elementary**” when you make a purchase and our school will receive **10% of the purchase** amount. Please tell your friends and family about this deal as every purchase made by a “Friend of False Creek Elementary” counts.

To access the site, login to [www.facebook.com](http://www.facebook.com) and search for **Re Claim**.

Thank you to Michelle for donating a portion of her proceeds to False Creek Elementary!

**Magazine Subscriptions...** False Creek Elementary School has set up an account with the QSP Family Reading Program, where you can choose from more than 600 magazines. With each new subscription or renewal, our school will receive an average of \$10.

If you are buying a magazine subscription for yourself or as a gift, please visit the QSP website to make your purchase and follow these steps:

1. Go to [www.qsp.ca](http://www.qsp.ca)
2. Sign yourself up and include your child's name.
3. Enter False Creek's school group number: **33090**.
4. Start shopping

Friends and family across Canada can participate in this program too!

### What's happening with the Safe Arrival Program?

The Safe Arrival Program is designed to inform parents/guardians when their child(ren) are not in attendance at the school *if the school has not already been informed of their absence*.

**This year, we have not had enough volunteers to run this program. We are open to ideas on how to revive Safe Arrival and make it work for False Creek Elementary.**

For more information about the program or to find out how you can participate, please contact George Affleck at [george@curvecommunications.com](mailto:george@curvecommunications.com).

### Would you be interested in an after school math tutoring program?

Melissa Ashlee is a False Creek parent who has created an opportunity for after school tutoring at False Creek Elementary. She seeks your feedback on this program. Please visit her website at [www.youngachieverscanada.com](http://www.youngachieverscanada.com) for more information.
