DIALOG

The City of Vancouver's has released "The Future of False Creek South: Advancing a Conceptual Development Plan and Addressing Lease Expiries": <https://council.vancouver.ca/20211021/documents/pspc2.pdf>

Regarding False Creek Elementary, this proposal seems to suggest building a new school on the North-East side of 6th & Oak, but all aspects of the proposal affecting the school are qualified by "subject to Vancouver School Board approval".

RePlan, the Strata Leaseholders Society, and the co-ops' Authorized Working Group are organizing Town Hall meetings: [https://www.eventbrite.ca/e/the-future-of-false-creek-south-community-town-hall-tickets-190621252297?mc\\_eid=a7146e6e0e&mc\\_cid=a03a462a95](https://www.eventbrite.ca/e/the-future-of-false-creek-south-community-town-hall-tickets-190621252297?mc_eid=a7146e6e0e&mc_cid=a03a462a95)

## FALSE CREEK ELEMENTARY SCHOOL PAC LUNCH PROGRAM SURVEY

The False Creek Elementary PAC has historically run a third party supplied, parent volunteer supported, paid lunch program. In the past this has run ONCE or TWICE per week. This program has done multiple things:

- given kids a variety of choices for lunches,
- given parents a few days where they don't have to pack a lunch, and
- raised funds for the PAC to help support children at the school.

These programs allow parents to pick from a set of items for each lunch day, for each child. There is variety and options for pickier eaters. The cost is usually around \$6. The lunches would be delivered to the school, sent to each class in a box, and each box would contain individually packaged lunches.

That PAC won't restart this program without clear support from the parents, so here's a survey:

# COVID SCHOOL SCHOOL EXPOSURE TRACKERS
